

Are you...
...**struggling** with
unwanted feelings and behaviors?
...unable to **get free** from the past?
...not who you **really** want to be?

How We Heal

A day-long workshop...
...for beginning the healing of your life.

Saturday

Healing takes place through *corrective experiences*.

In this workshop you will not only learn how to heal, but will be led through a series of corrective experiences that can heal the broken and damaged parts of your life. This workshop will take you to the next step in your healing journey.

David Alabran, MA

David Alabran is a featured speaker at retreats, churches, and workshops. He has spent the past 30 years in ministry as an ordained pastor and professional counselor. He holds a BA in Psychology from Cal State Fullerton, an MA in Marriage and Family Therapy from Azusa Pacific University. He has taught at and worked with such organizations as Alpha Care Christian Psychiatric Hospital, Berean Seminary, and Trinity College of Graduate Studies. He continues his work now on inner healing through his own organization, *Abundant Life Ministries*.
